Housing Development

Housing Land Supply

Question 1: Do you agree with the Council's assessment of the present housing supply situation and that enough land will need to be identified by Local Plan Part 2 to accommodate around 2,000 new homes?

Yes

No

Don't know

<input type="checkbox"/>
<input checked="" type="checkbox"/>
<input type="checkbox"/>

Please provide any comments you wish to make to support your response.

Please see separate statement submitted by Oxalis Planning.

Housing Sites adjacent to the Main Urban Area

Question 2: Do you agree with the Council's view that none of the three strategic allocations (Melton Road, Edwalton; South of Clifton; and East of Gamston/North of Tollerton) should be expanded as part of resolving the current shortfall in the amount of land that is available for housing development over the next few years?

Yes	<input type="checkbox"/>
No	<input checked="" type="checkbox"/>
Don't know	<input type="checkbox"/>

Please provide any comments you wish to make to support your response.

The number of additional dwellings should be determined having regard to the Borough's overall housing requirement and capacity of each settlement to accommodate growth.

Question 3: Do you support housing development at:

	Yes – all of site	Yes – but only part of site	No
Site HOL1 – Simkins Farm, Adbolton Lane, West Bridgford (potential capacity around 40 homes)	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Any other location (please specify which)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please provide any comments you wish to make to support your answers. This could include comments on the services and facilities required to support development and the design, mix and layout of development.

Housing Development at the 'Key Settlements'

Bingham

Question 4: Do you agree that Local Plan Part 2 should not allocate further greenfield land for housing development at Bingham in the plan period (up to 2028)?

Yes

No

Don't know

Please provide any comments you wish to make to support your response.

Significant development is already proposed at Bingham. Further development now would underline the objectives of sustainable and manageable growth.

Cotgrave

Question 5: Do you agree that Local Plan Part 2 should allocate greenfield land for housing development at Cotgrave in the plan period (up to 2028)?

Yes

No

Don't know

Please provide any comments you wish to make to support your response.

The number of additional dwellings should be determined having regard to the Borough's overall housing requirement and capacity of each settlement to accommodate growth.

Question 6: Do you have a view on the total number of new homes that should be accommodated on greenfield sites at Cotgrave up to 2028? If possible, please give reasons for your answer.

Housing development at ‘other villages’

Question 16: *Do you agree that, apart from the site to the south of Abbey Road, Aslockton with planning permission for up to 75 new homes, Local Plan Part 2 should not allocate greenfield land for housing development at Aslockton and Whatton in the plan period (up to 2028)?*

Yes

No

Don't know

Please provide any comments you wish to make in support of your response.

Beyond the 6 main villages in Rushcliffe, Aslockton (which, with Whatton functions as a combined settlement), is one of the most sustainable settlements. Importantly, in terms of the Borough wide context, it lies outside the Green Belt, where national policy (reinforced by recent Ministerial statements and the Housing White Paper) seeks to direct development, prior to the consideration of Green Belt locations.

Aslockton has a wide range of services and facilities which can meet residents day to day needs. Unusually, the primary school has significant spare capacity, and clearly therefore this and other services and facilities in the village will benefit from and have capacity for, new development.

The village is also well served by public transport connections. Uniquely it has a train station with regular services to Nottingham and Grantham.

Land at Cliff Hill Lane, Aslockton is being promoted for development. This site is well related to the services and facilities in the village and would form an appropriate extension to the village. An application for the development of up to 50 dwellings was recently refused by the Borough Council and an appeal is pending determination. The principle reason for the refusal of the application was the perceived conflict with Policy 3 of the Core Strategy. Notably because it was considered Policy 3 only permitted small scale infilling for local needs within villages. However this reason for refusal can no longer stand given the now acknowledged housing supply issues and the recognition by the Borough themselves, that allocations will need to be made within villages.

Given the context of the Borough's severe housing supply issues, the site should be allocated for development. It is a sustainable and suitable site in a sustainable location.

Question 17: *Should Local Plan Part 2 identify the following 'other' villages as suitable for a limited level of housing growth on greenfield sites?*

	Yes	No	Don't know
<i>Cropwell Bishop</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<i>East Bridgford</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Gotham</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Sutton Bonington</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Tollerton</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<i>Any other settlement (please specify which)</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please provide any comments you wish to make to support your answers.

Given the Borough's housing supply shortfall all settlement should be assessed for their suitability to accommodate development.
