Project Description

Provide a brief outline of the project detailing clear aims and objectives and how these link with the priorities of tackling the impact of the recession and the priorities of the Sustainable Community Strategy.

- What is the identified problem that you are aiming to address?
- What are you intending to do?
- Who or What are you intending to target?
- Who will be involved, who will do what and how will they be managed?
- How will you deliver the project?
- Where will you deliver the project?
- When will the project start and end?

Please provide no more than two sides of A4 per project profile
