Dear Philip,

Gotham Parish Council resolved to prepare a Neighbourhood Plan at their meeting of 7th March 2017. I hereby apply to Rushcliffe Borough Council for the designation of a neighbourhood area for Gotham Parish. Gotham Parish Council is a relevant body to make a neighbourhood area application, in accordance with section 61G of the 1990 Act.

We have attached a map which identifies the area to which this application relates.

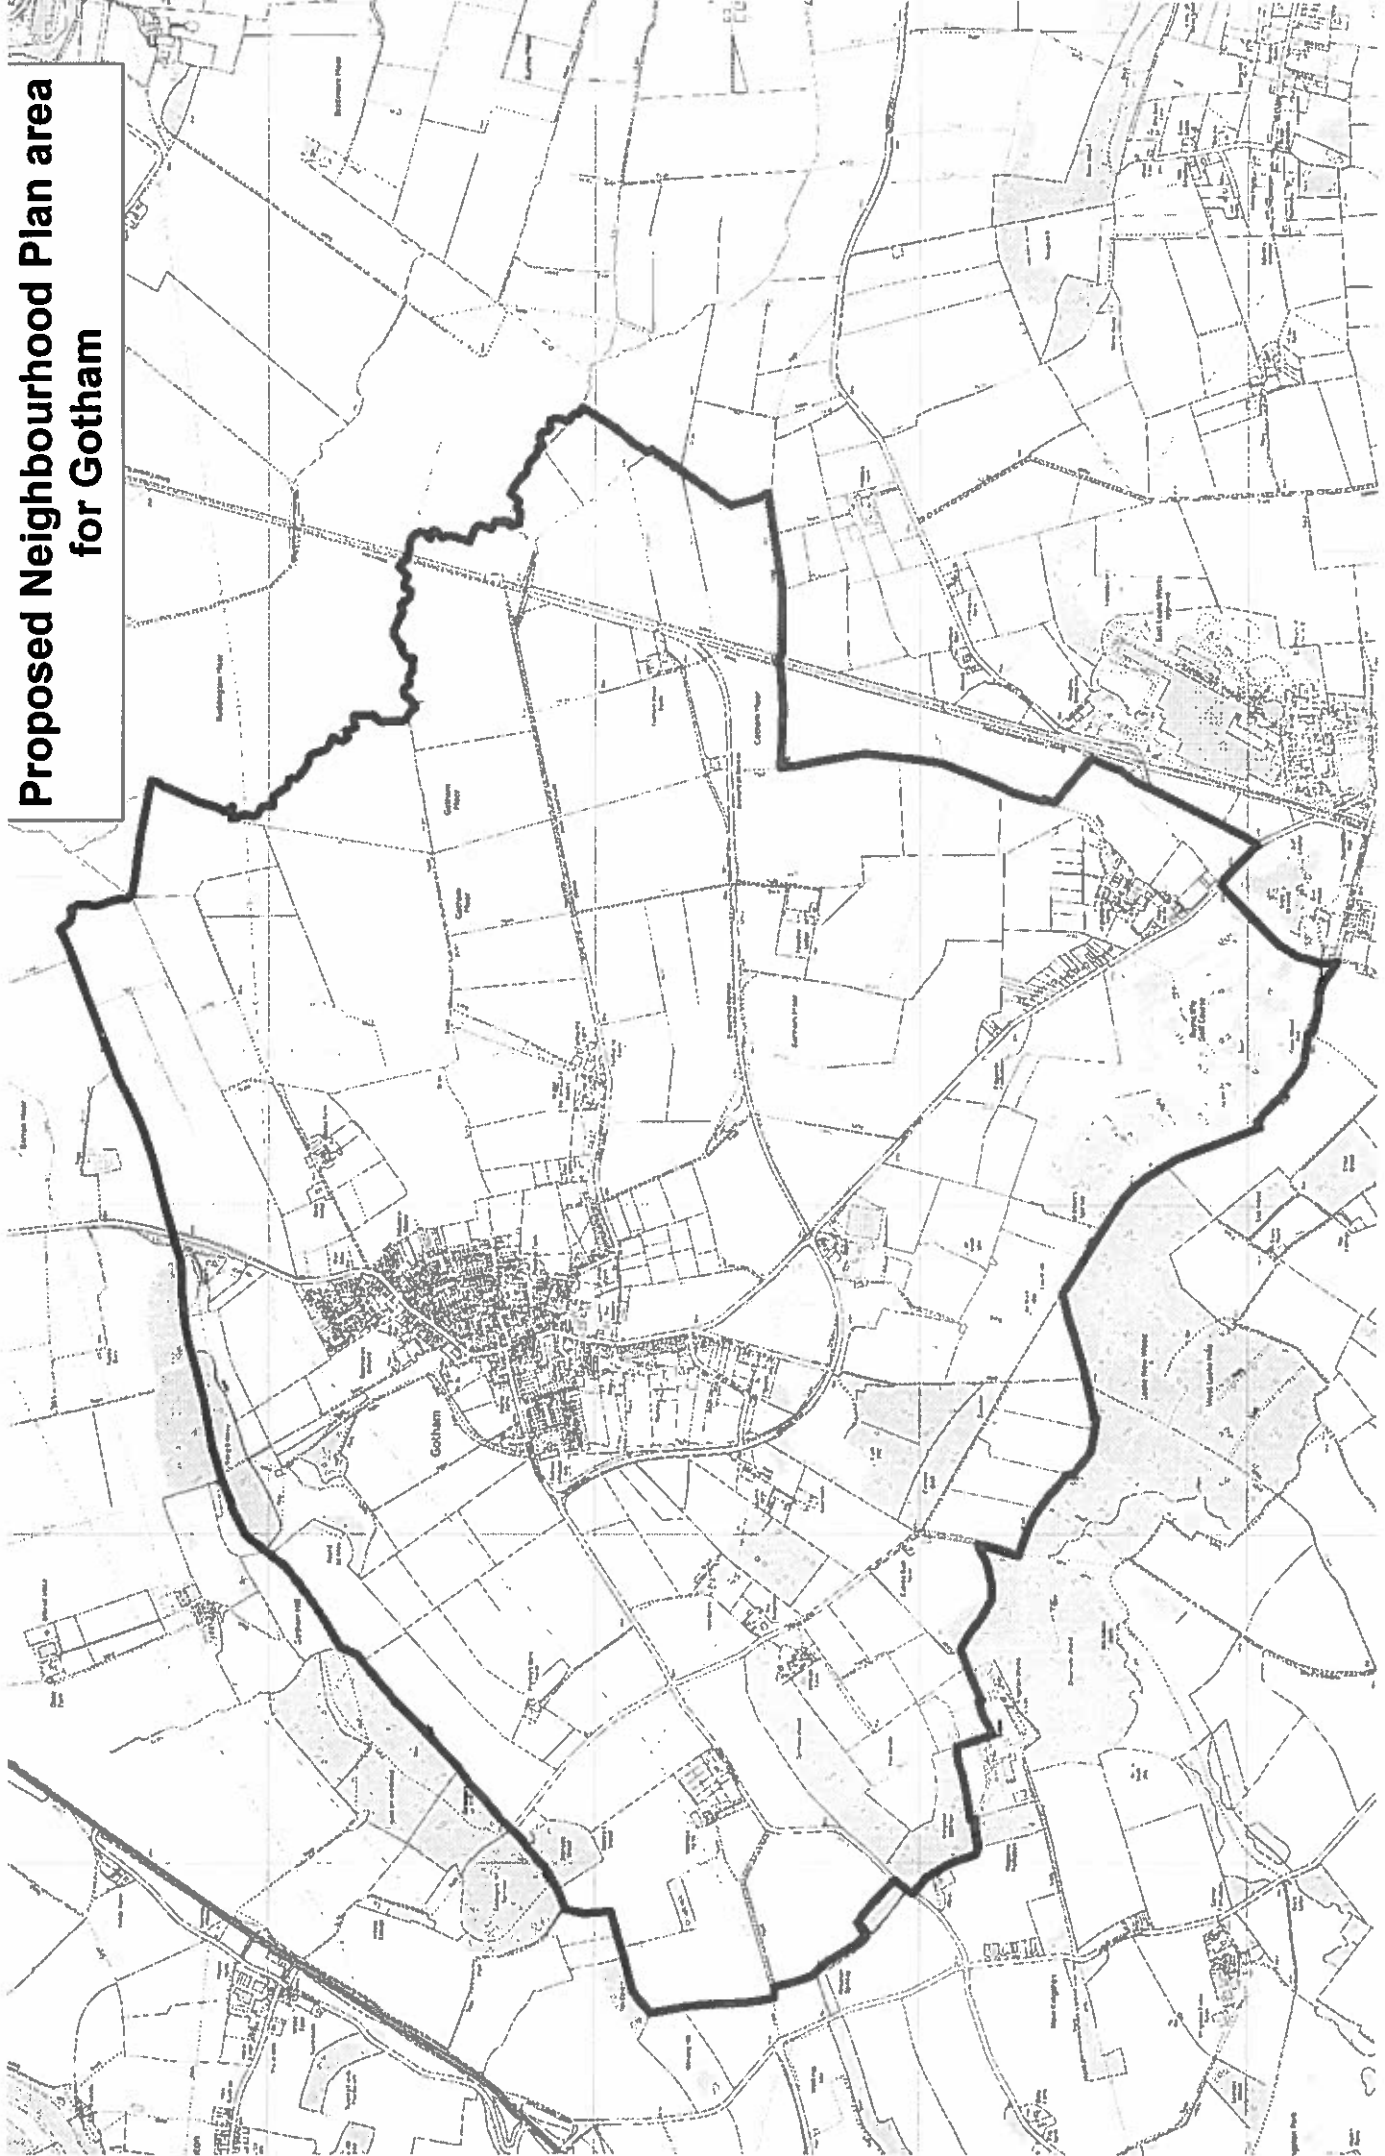

We have received support from village public meeting for this application and have recruited some local volunteers to assist with its preparation. We intend to take professional advice and would therefore wish to apply for grant aid. We would be grateful for any guidance that can be offered by your team to produce the plan.
