"The Parish Council OBJECTS to the proposed developments RUDD12-14. This would greatly increase traffic flow and put considerable additional pressure on the A60, particularly at the Ruddington Business Park roundabout which is already a bottleneck".

"Additionally, it OBJECTS to RUD13 because it extends the Ruddington village boundary considerably into open fields and away from the built up part of the village (and its facilities) and with no natural boundary beyond it to act as a barrier to future incursions onto the green belt".
