Thank you for informing the Keyworth Parish Council Planning Committee of Rushcliffe Borough Council's consultation on the above matter and the opportunity to provide advisory input.

The matter was considered at the Parish Planning Meeting on Monday 6<sup>th</sup> March. The agreed opinion of the committee is that no change should be made to Rushcliffe Borough Council's already proposed allocation of housing to Keyworth upto 2028 of 450 additional homes.

The committee would be grateful to be kept informed as Rushcliffe Borough Council develops its policy.

Yours sincerely
