Housing Development

Housing Land Supply

Question 1: Do you agree with the Council's assessment of the present housing supply situation and that enough land will need to be identified by Local Plan Part 2 to accommodate around 2,000 new homes?

Yes

No

Don't know

Please provide any comments you wish to make to support your response.

It is important that the Local Plan provides sufficient housing to meet identified requirements otherwise the Plan process is undermined and “ad hoc planning” may take place where development is won on appeal.

Housing Sites adjacent to the Main Urban Area

Question 2: Do you agree with the Council’s view that none of the three strategic allocations (Melton Road, Edwalton; South of Clifton; and East of Gamston/North of Tollerton) should be expanded as part of resolving the current shortfall in the amount of land that is available for housing development over the next few years?

Yes	<input checked="" type="checkbox"/>
No	<input type="checkbox"/>
Don’t know	<input type="checkbox"/>

Please provide any comments you wish to make to support your response.

If the shortfall is in large part caused by the difficulty in bringing these major sites forward for development, the expansion of these sites is unlikely to make much practical difference

Question 3: Do you support housing development at:

	Yes – all of site	Yes – but only part of site	No
Site HOL1 – Simkins Farm, Adbolton Lane, West Bridgford (potential capacity around 40 homes)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Any other location (please specify which)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please provide any comments you wish to make to support your answers. This could include comments on the services and facilities required to support development and the design, mix and layout of development.

The site in question was put forward at the earlier Part 2 round of consultations see appended representation
