Dear Sir/Madam

TABU is a campaign group working to preserve the rural nature of Tollerton as a village. TABU represents a large membership of Tollerton people. This consultation response is submitted on their behalf.

TABU's consultation response in respect of Rushcliffe Local Plan Part 2: Land and Planning Policies – Preferred Housing Sites is as follows.

- Question 1 - Do you agree with the Council's proposal that Local Plan Part 2 should identify enough land for around 2,550 new homes?
- Response: Yes. This will guard against further delays on the strategic allocations and any of the proposed sites not coming forward as expected.

- Question 3 - Do you agree with the Council's proposal that no sites adjacent to the main urban area of Nottingham (within Rushcliffe) should be allocated for housing development through Local Plan Part 2?
- Response: We agree that the site East of Gamston/North of Tollerton should not be enlarged and the housing numbers on this site should not be increased.

- Housing Development at the 'Other Villages' (between Questions 13 and 14)
- Response: We agree that no sites should be proposed for housing development at Tollerton. Whilst we agree that Tollerton Primary School currently has no capacity or potential for expansion in order to accommodate housing growth, we comment that this is only one of very many reasons why no sites in Tollerton should be allocated and, for details of other reasons, we refer you to TABU's consultation response in respect of Local Plan Part 2: Further Options.

Yours faithfully,

Dr Sue Ball
