Ref: Rushcliffe Local Plan 2

To Whom It May Concern,

Please find enclosed a petition signed by 273 residents of East Bridgford in objection to Rushcliffe Local Plan 2. The residents of East Bridgford were not consulted on salient changes that were made by RBC to the Local Plan, specifically the introduction of 25 more houses on top of the original 100 and consolidating the sites to 2 large sites on the village border.

A meeting was held for residents of East Bridgford on Wednesday 16th May, over 100 residents came along on the evening, 30 completed letters relating to Rushcliffe Local Plan Part 2 as enclosed. I have also enclosed a list of everyone who came along on the evening.

The consensus on the evening was that East Bridgford Residents are not averse to new housing and appreciate that RBC have targets that must be met however as you can see from the petition and letters we are strongly opposed to the scale of the housing proposed and the location of the 2 large sites and that we were not consulted following fundamental changes to the original plan.

Please don’t hesitate to contact me if you have any questions or would like any further information.

Yours Sincerely

Tiffany Taylor
