access road adjacent to Laburnum Cottage there is a particularly fine view across farmland and open countryside (see Figure 15).

Throughout the village, there are attractive open spaces which contribute to views of positive buildings and allow for views of the surrounding countryside.

The raised churchyard is particularly prominent at the centre of the village and includes a couple of attractive mature trees (see Figure 16).

Adjacent to the Church of St Mary and All Saints and within the grounds of Hawksworth Place is a well-kept lawn along with a number of mature trees, some of which overhang onto the street and contribute to the character of the area.

Similarly, the grounds to the rear of Hawksworth Manor and the paddocks around Top Farm, Ivy House Farm and Yew Tree Farm help to link the village's spaces to the surrounding countryside.

The most significant trees, hedges, open spaces, grass verges and gardens are marked on the Townscape Appraisal map.
