Vision and Spatial Strategy

Question 1: What opportunities, challenges and priorities should inform the Local Plan's Vision and Spatial Strategy?

Question 2: How do you think future homes, jobs and services should be distributed across Rushcliffe? Are there particular places where growth should be encouraged or limited?

Additional Comments – Please provide any further comments relating to Vision or Spatial Strategy should you wish.

Housing

Question 3: What are your views on the amount of housing growth that should be planned for and where it should be provided?

Question 4: What are your views on the types of homes that should be provided?

Additional comments – Please provide any further comments relating to housing should you wish.

Economic Growth

Question 5: How do you think the Local Plan should support economic growth, local businesses and job creation across Rushcliffe?

Question 6: What are your views on the amount and location of employment development that should be provided in Rushcliffe?

Additional Comments – Please provide any further comments relating to economic growth and employment development should you wish.

Town, Village and Local Centres

Question 7: What should be the priorities for Rushcliffe's town, village and local centres over the plan period?

Question 8: Are there any specific centres that require improvement, investment or regeneration? If so, what changes would you like to see?

Additional Comments – Please provide any further comments relating to Rushcliffe's town, village and local centres should you wish.

Culture, Tourism and Sport

Question 9: How should the Local Plan support culture, tourism, leisure and sport to benefit residents, communities and visitors?

Question 10: What are your views on the future of Rushcliffe's cultural, tourism, leisure and sporting facilities? Are there particular facilities that should be protected or improved?

Additional Comments – Please provide any further comments relating to culture, tourism and sport should you wish.

Energy, Sustainability and Climate Change

Question 11: What do you think the Local Plan should do to help tackle climate change and manage its effects?

Question 12: How do you think the Local Plan should support energy generation? Are there particular places where energy-related development should be encouraged or limited?

Additional Comments – Please provide any further comments relating to climate, energy or sustainability/environment matters should you wish.

Design and Placemaking

Question 13: Are there any places in Rushcliffe that you think are particularly well-designed and that you would like to see more of in the future? Are there any places that you think could be improved, and if so why?

Question 14: How can the Local Plan help ensure that new development creates well-designed buildings and places that enhance local character and provide good, safe places to live and visit?

Additional comments – Please provide any further comments relating to design and placemaking should you wish.

Transport

Question 15: What transport improvements are needed to support existing communities and future growth in Rushcliffe? Please consider walking, cycling, wheeling, public transport, highways, accessibility and connectivity.

Question 16: How could new development help to deliver improvements to transport infrastructure and services in Rushcliffe?

Additional comments – Please provide any further comments relating to transport matters should you wish.

Infrastructure and Local Services

Question 17: What improvements to services and facilities are needed to support existing communities and future growth in Rushcliffe?

Question 18: How could new development help to deliver improvements to services and facilities in Rushcliffe?

Additional comments – Please provide any further comments relating to infrastructure and local services should you wish.

Historic Environment

Question 19: How can the Local Plan best protect, conserve and enhance Rushcliffe's historic environment while accommodating future growth?

Additional comments – Please provide any further comments relating to the historic environment should you wish.

Natural Environment and Blue/Green Infrastructure

Question 20: How can the Local Plan best protect and enhance Rushcliffe's natural environment, landscapes and blue/green infrastructure?

Question 21: How could new development help to create, expand or enhance natural environments or blue/green infrastructure in Rushcliffe?

Additional comments – Please provide any further comments relating to the natural environment, local landscapes or blue/green infrastructure should you wish.
