Working Well EAST MIDLANDS

Individual Placement and Support In Primary Care

Helping people with physical or mental health conditions or disabilities to find the right job, return to work after long-term sickness or keep their current job.

Our employment specialists provide free advice and support to help overcome a wide range of work-related barriers, as well as offering in-work support for both the employee and the employer.

Nottingham, Nottinghamshire and Derby are working together to improve the health, economic and social wellbeing of our populations, improve life chances and reduce inequalities.
