Dear Fredrica

Re: Appeal by Redhill Marine Limited

Thank you for the recent correspondence, I am sorry if matters are not clear but our client does formally withdraw his appeal against the enforcement notice for the reasons set out in our earlier correspondence, as such we do not believe either party need to address the directions that were given to a final hearing. We appreciate there will be left over the issue of costs given the local authority's recent correspondence on the point.

We hope that that now clarifies matters both for your office if it were formally unclear and for the local authority who clearly wanted to clear that matter up.

We now look forward to hearing from your office as to how we all proceed with regard to the outstanding costs issue.

Yours sincerely
