FAO Mr Cameron Slater

Regarding; Amendment to Planning Application 25/00888/FUL for Car Parking at Red Hill Marina

Following on from our telephone conversation on the morning of 12th June 2025 – reference 25/00888/FUL and the potential amendment to include detail of the existing use as a car and boat park.

Thank you for taking the time to discuss our questions on this matter. We referred to the letter dated 11th June 2025 (received via email) from Rushcliffe Borough Council regarding the proposed amendment to the application made on 15th May 2025.

As stated; the area in question has been continuously used since the 1940's for the purposes of parking by businesses, residents and visitors for farm, boats and vehicles parking and equestrian purposes. Our application for the consent of the existing use is based on over 80 years of use.

We note that we have agreed to the amended application to now state the 'Proposal for existing boat and marina car park'.

Could you please confirm this is acceptable to the council? We await your response.

Yours Sincerely

Red Hill Marine Ltd
