

# Register a Food Business QR Code Guidance

## Google Chrome

1. Open your **Google Chrome** web browser.
2. Enter your relevant RAFB webpage (or any relevant webpage) that you would like to create a QR code for.
3. Right click on the image of an arrow found in the far right of the URL bar.

4. From the drop down, select 'Create QR Code'.

5. To access the webpage via the QR code, open your smart phone camera and point it at the QR code. This will prompt you to open the associated webpage.
6. This image can be downloaded, attached to emails, printed to use on a clipboard (for inspections), etc.
