    - Allegations of harassment, and noise from:
    - The bins being stored under your window
    - engine idling from various parties

    - verbal/aggressive behaviour reports/social media posts and noise from persons talking outside and persons staring.
    - Some elements do not agree as Asb or actionable. Panel agreed that no additional action is justified but to monitor and advise on decision/law.

Community Trigger Reviews 2026 to 2027

For the financial year, 2026 to 2027 (1 April 2026 to 31 March 2027) the outcomes for Rushcliffe Borough Council are:

- 1 application received
    - Young lad riding motor bike around the estate
    - Grandson of neighbour collects helmet and rode motor bike away
    - Young lads driving a car, Concern about them causing damage
    - Other neighbour related issues brought up in meeting eg alleged harassment
- 1 Community Triggers completed and brief details of any outcomes.
    - The panel's view was that there was currently insufficient evidence to support any further enforcement action, or that some of the matters raised fell outside the regulatory powers available to the agencies present
    - Police agreed to look at evidence previously provided/engage and explain
    - HA agreed to offer again mediation/ they were also subject to a formal complaint and would act if outcome decided there was a need.

      As of 1 November 2026
